

American Health Lawyers Association

Congratulates and recognizes law firms and healthcare organizations that have the most members belonging to AHLA

This “Spotlight on Leaders” issue lets us recognize and thank the many leaders who make Health Lawyers’ success possible. It is also the issue that gives us the opportunity to honor the organizations ‘behind the members’—those law firms, healthcare organizations, and consulting and accounting firms that consistently and enthusiastically encourage and sustain their members’ and employees’ affiliation with AHLA. We want to thank both the organizations as well as the many members who help make AHLA a strong and vibrant presence in the healthcare field and legal community.

For the past several years *Modern Healthcare* has contacted AHLA about printing a list of the ‘legal

heavyweights’, and in February 2009, *Modern Healthcare* printed the top 25 firms, which represented the number of attorneys at the firm who were members of AHLA as of January 2009. *Health Lawyers News* magazine is again publishing a more extensive list of firms and organizations. The AHLA Top Honors – now in its sixth year – represents an increase over last year’s listing and the membership numbers of last year’s honorees remain strong. The following lists represent the number of attorneys at the firm who were members of the Association as of May 25, 2009.
